

iSpeaker MD30 (Gen2)

Dante Microphone

Datasheet V1.0

FEATURES

- PoE power supply by switch
- Silent push-button to avoid mechanical sound when turning on/ off the microphone.
- Dante network transmission protocol.
- CAT-6 network cable is used to connect to the switch.
- Equipped with RJ45 crystal female socket, suitable for any POE network cable

DATASHEET

Model	iSpeaker MD30 (Gen2)
Name	Dante Microphone
Directional	Supercardioid polar pattern
Frequency response	80—19kHz
High pass filter	80Hz, 18dB/octave
Impedance	1.4 kΩ
	-10dBu @ +30dB gain
	-20dBu @ +40dB gain
	-30dBu @ +50dB gain
Max. input sound pressure level	
Signal-to-noise ratio	65dB,1Kz @ 1Pa
Power	PoE IEEE802.3af standard
Output	RJ45
Base Dimension	370mm
N. W	107.5 ×145.9×50.8 (mm)
Color	Gray
