# iSpeaker DCS60
60W Dante Column Speaker

# INTRODUCTION

The iSpeaker DAS60 is designed to be used in speaking sound amplification applications such as video conference rooms, digital courts, conference centers, lecture halls, lecture theaters, etc., as well as background music applications in various architectural spaces such as churches, museums, transportation hubs, and square public areas.

Solve the problem that traditional conference room speakers are too big and unsightly when hung on the wall.
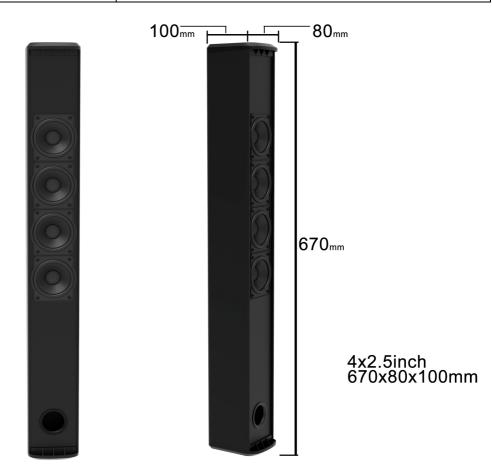

# FEATURES

- 4x2.5" Neodymium Magnets
- Sensitivity of 93dB
- Rated power 60W
- Supports Dante
- Supports PoE: 802.3af/802.3at/802.3bt
- Diffusion angle: 20° vertically, 120° horizontally
- Streamlined design and a newly designed industrial black color.
- It is suitable for sound reinforcement in various architectural spaces and has beautiful sound quality.
- ABS mixed aluminum alloy reinforced cabinet, strong and durable.
- The newly designed circular waveguide hole forms a unique low-frequency heart-shaped diffusion, the treble is crisp and pleasant, the sound performance is natural and thick, and with full bass.

## TECHICAL SPEC

| Model | iSpeaker DCS60 |
|---|---|
| Name | 60W Dante Column Speaker |
| Structure | 4x 2.5" Neodymium Magnets |
| Rated impedance | 4Ω |
| Rated power | 60W |
| Effective frequency range | 106Hz~20KHz |
| Sensitivity level (1m/1W) | 93dB |
| Diffusion angle | 20° vertically, 120° horizontally |
| Sound pressure level | In specified frequency band: 109dB |
| Cover material | Metal mesh |
| Chassis material | ABS mixed aluminum alloy reinforced cabinet |
| Installation dimension | Adjustable angels wall-mounting |
| Port | Dante RJ45 PoE |
| PoE | 802.3af/802.3at/802.3bt |
| Color | Black (Default); Apple Gray ( Customized) |
| Net Weight | 6.3kg |
| Gross Weight | 8.3kg |
| Dimension | 670x100x80mm |
